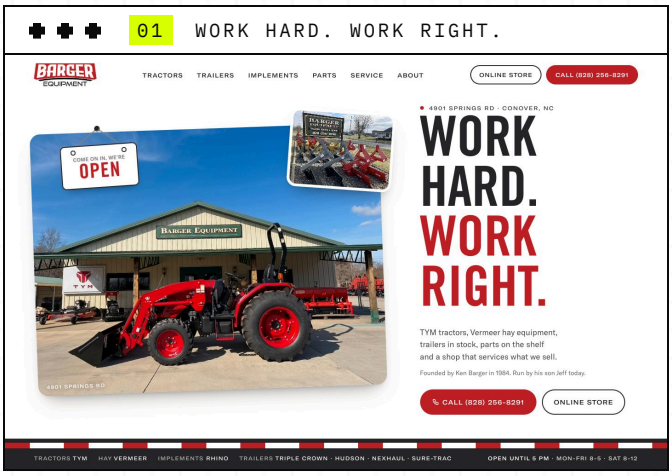
A new website for Barger Equipment.

PREPARED FOR JEFF AND THE BARGER EQUIPMENT TEAM · BY ERIC BERG, CRUSH

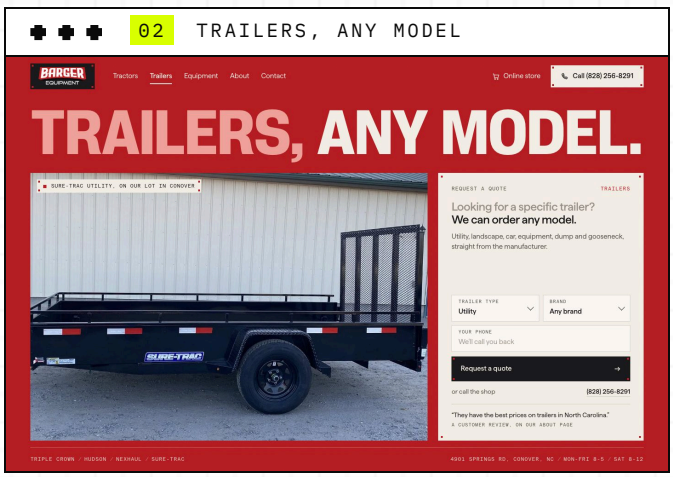
THE TOP OF YOUR HOMEPAGE

Three ways it could look. Pick one, and we build the rest in it.

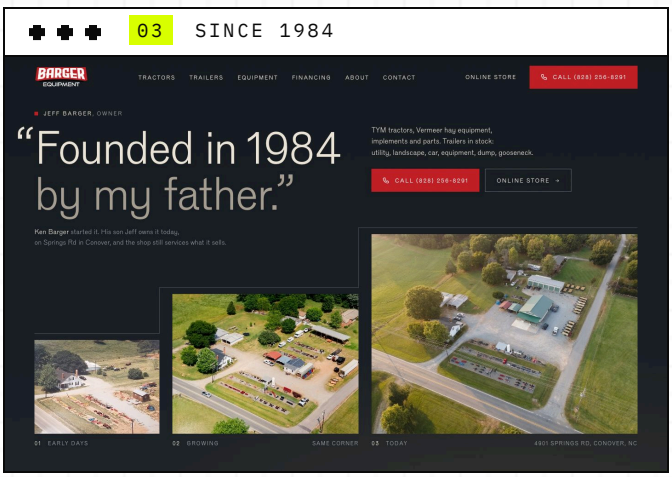
01 WORK HARD. WORK RIGHT.



02 TRAILERS, ANY MODEL



03 SINCE 1984



THE LAUNCH

$2,500

for $3,660 of work, one time

of saying go

YOURS

Yours to keep

site and domain in your name

01 WHERE WE STARTED

What we built it around.

01

Work hard. Work right.

Your own line. Option 1 lays your shop on Springs Rd down like a print, with a red TYM loader out front and an open sign that reads your real hours.

02

Trailers, any model.

From your store: you can order any model straight from the manufacturer. Option 2 puts your Sure-Trac trailer on your own red, beside a quote card with your six trailer types and four brands.

03

Founded in 1984 by my father.

Your words from the About page. Option 3 sets them at dusk over your three aerials of the lot, from the early days to today.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

03

Who owns it?

You do. The site and the domain are in your name, not ours. Hosting is included and nothing renews unless you ask. If you ever want to move it, you get every file.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What about my online store?

It stays, linked from the new site, and you run it the way you do today.
